

5 THINGS

Choosing a Credit Card Processor for your business is an extremely important decision. After all, **they are handling YOUR money.**

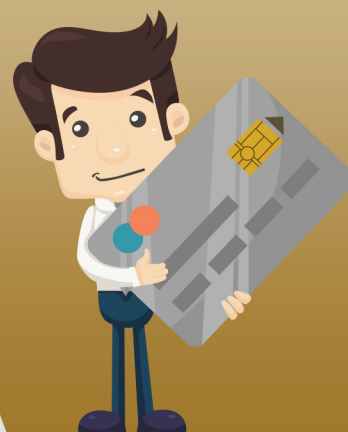

What can you investigate in the due diligence process to ensure a credit card processor can deliver on those high expectations?

to look for when choosing a Credit Card Processor

4 PRODUCTS & SERVICES to GROW your BUSINESS

What SOLUTIONS do they offer?

- ✓ Are they interested in how you currently process payments?
- ✓ Do they have ideas to help make processing more efficient?
- ✓ Are you being asked to lease equipment?

5 PRICING

Can they SAVE you MONEY?

- ✓ Is their savings analysis easy to understand?
- ✓ Is their monthly statement easy to read?
- ✓ Anything less should raise skepticism from you.
